The following chart of **BUFFER ZONE** information and chemicals effected by the **BUFFER ZONE** restrictions is provided for your convenience. Please contact us if you have any questions.

	BUFFER ZONE	BUFFER ZONE	BUFFER ZONE
			
	School / Day Care	Health Care	Residential
	AERIAL APPLICATION		
	Highly Toxic (liquid)	¼ mile	400 feet
	Highly Toxic (dust)	¼ mile	400 feet
	*Odoriferous	¼ mile	¼ mile
	GROUND APPLICATION		
	Highly Toxic (liquid)	¼ mile	400 feet
	Highly Toxic (dust)	¼ mile	400 feet
	*Odoriferous	¼ mile	¼ mile

BUFFER ZONES APPLY TO HIGHLY TOXIC

AND *ODORIFEROUS PESTICIDES

*A specific listing of odoriferous pesticides has not been established

Arizona registered pesticides can be found at:

www.azda.gov/ESD/esd.htm

Then click on: "List of Licenses, Permits and Certifications"

**Highly toxic pesticides have both the skull & crossbones
and the signal word "Danger" on the front label**
